

Observed Fr. Mathew Anniversary

Total Abstinence Societies of the City United With Guests From New London—Stirring Address Upon Temperance Theme by Rev. W. F. Cavanaugh and Rev. T. A. Grumbly—Also Celebrates 20th Anniversary of T. A. B. Building.

In T. A. B. hall, attractively decorated to mark the twentieth anniversary of the dedication of the building, the total abstinence societies of the city, with members from the societies from New London and Tataville as guests, celebrated the anniversary of Father Mathew day on Friday evening, conducting a program which brought into prominence the principles to which the great Apostle of Temperance devoted his life.

Welcome by President McGuinness. St. Mary's T. A. and B. society and the Father Mathew T. A. society of Greenville were in charge of the celebration of the anniversary, having invited the three New London societies, the two Sacred Heart societies in Tataville, and St. Anne society of this city and St. Cecilia society of Greenville. The hall was filled with an attendance of 200 when President William H. McGuinness of St. Mary's society opened his program with a welcome address in which he further interested his hearers with his pertinent remarks upon the value of a temperate life and what it meant to the community.

Society Chaplain Speaks. The next speaker was Rev. William F. Cavanaugh, chaplain of St. Mary's society, who congratulated the society upon its accomplishments and pointed out many ways in which it could grow along spiritual lines. His ringing address was loudly applauded.

Urges Prayer and the Sacraments. He was followed by Rev. Thomas A. Grumbly, assistant rector at St. Patrick's church, who listened to with deep attention as he urged prayer and frequent participation in the sacraments as invaluable aids to the temperance workers in their efforts.

President Augustus Russell of Father Mathew society was the next speaker, followed by Chairman McGuinness for some words of greeting from his constituents and Treasurer Joseph A.

HAS BUSY AND PROFITABLE YEAR PLANNED

Parish House Association Held Annual Meeting—Mrs. H. T. Arnold Re-elected President.

The Parish House association opened the year auspiciously with a large attendance at its annual meeting on Friday afternoon.

Mrs. H. T. Arnold was re-elected president. The annual reports, made by the secretary, treasurer and custodian, were all interesting to the association, as showing the successful activities and success of the past year and an enthusiastic approval of plans for the coming year made this promise to be a busy and profitable one. Only one member was sadly missed from former years—Mrs. J. M. Bell. Mrs. Arnold was the unanimous choice for president of the association again this year. The three vice presidents are Mrs. B. P. Learned, Mrs. Ruth W. Kimball and Mrs. Charles H. Haskell. Mrs. Leonard Smith was elected secretary and Mrs. Frederick Symington continues as treasurer. Mrs. George D. Colt is auditor and Mrs. William B. Birge, Mrs. Zephora H. Robbins and Mrs. William H. Allen are members of the executive committee.

The musical part of the programme was furnished by Westworth, violin, and Miss Florence Wilkinson, piano, and proved thoroughly enjoyable. Their selections were Midnight Belle, by Fieldhouse, and Queen of the Night by Renard, for violin and piano and Concerto by Setz for violin.

A delightful social hour followed the programme during which refreshments were served by the social committee. Mrs. Joseph W. Gilbert, chairman, Mrs. Alfred Vaughn, Mrs. E. I. Root, and Mrs. M. B. French.

The parlors were prettily decorated with choice garden flowers by Mrs. Ruth W. Kimball.

SUIT FOR DEATH

AT REED'S CROSSING

Case of Murphy, Adm. vs. New Haven Road Being Heard at New Haven.

In the United States district court at New Haven on Friday, the trial of the case of Murphy, administrator vs. the N. Y. N. H. & H. R. Co. was commenced before Judge Mayer of New York with a jury. The case is one for damages under the federal statute for the death of Mr. Murphy, who was killed in a collision of freight trains a couple of years ago at Reed's crossing, so-called, between Norwich and Jewett City. Murphy was a brakeman on one of the freight trains.

Judge Platt, the regular judge of the United States court for this district, was disqualified and could not hear the case because of his ownership of stock of the N. Y. N. H. & H. R. Co. Because of this some delay has been experienced in bringing the case on for trial but Judge Lacombe finally was able to assign Judge Mayer to hear the case at New Haven.

After the jury had been empaneled Friday, the first witness to take the stand for the plaintiff was Shepard B. Palmer of this city, the engineer of Chandler & Palmer, civil engineer and survivor. Mr. Palmer explained a plan and photographs of the scene of the accident, which he had prepared, and was followed by a number of railroad employees as witnesses. The trial of the case will be continued today.

Donald G. Perkins of the firm of Brown & Perkins of this city brought the case and is being assisted in the trial by Attorney James Stuart Murphy of Lowell, Mass.
